G.C.Ms.No. 2911, Development, dated 21-7-49.
Government Memorandum No. 61870 K/49-3, Food and Agriculture, dated 5-11-1949.
From the Joint Director of Agriculture, Letter No.J.D.A. 2419/51, dated 6-9-1952.

ORDER:

In their order No. 2911, Development, dated 21-7-1949, the Government sanctioned the purchase of 9 land Rovers with three trailers at a total cost not exceeding Rs.75,000/- from Messrs. Kane (Madras) Ltd., for the contour Bunding Scheme in the Ceded districts. A total sum of Rs.70,050-10-0 was however paid to Messrs. Kane (Madras) towards the purchase of three land Rovers only as trailers were not available.

2. The Joint Director of Agriculture has now reported that trailers were not available with the local firms and as they were immediately necessary for the work of contour Bunding Scheme he purchased a reconditioned trailer from Messrs. Dewar's Garage Ltd., Calcutta, who were the only suppliers who could promise supplies. The cost of the reconditioned trailer was Rs.1075/- exclusive of transport and incidental charges. As the firm was insisting for payment the Joint Director of Agriculture cleared the dues during 1951-52. He has now requested that that sanction may be accorded to the purchase of a reconditioned trailer from the firm mentioned above at a total cost of Rs.1075/- excluding transport and incidental charges and that his action in having purchased it in anticipation of Government sanction may be approved.

3. The Government accept the proposals of the Joint Director of Agriculture mentioned in paragraph 2 above.

4. The expenditure should be debited to "40 Agriculture-F Agriculture Engineering - B - Contour Bunding.
